Project title: Implementation of good practice and results from research study in everyday work in Frístundaheimili

Grantee: Kampur Frístundamiðstöð, Aleksandra Chlipala

Abstract:

The main goal of the project was to implement in everyday work in Frístundaheimili and Félagsmiðstöð:

- good practice developed in the project „Handbók um móttöku barna með annað móðurmál en íslensku í skipulögðu frístundastarfi” conducted by Kampur from Þróunarsjóði innflytjenda grants and
- results of the evaluation research „Evaluation of Frístundaheimili in Kampur center in terms of multiculturalism - the perspective of parents of children of foreign origin, managers and employees“ from the Þróunarsjóður skóla- og frístundaráðs Reykjavíkur grants which was conducted in spring 2015

Good practices will help children from foreign countries, their parents and employees in Frístundaheimili and Félagsmiðstöð to communicate and cooperate successfully on a daily basis and to make easier and less stressful beginning and the process of adjustment to the Icelandic after school centers for children of foreign origin and their parents.
